Shekhawat Shri Gajendra Singh

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:-

(a) whether the NIC-NET has taken initiative towards e-governance;
(b) if so, the details of such initiative separately in urban and rural areas, State-wise including Rajasthan; and

(c) the replicability of the initiatives in various Government organizations in the State?

Answer

(a): Yes, Sir.
(b) and (c): National Informatics Centre (NIC), through its high speed Information and Communication Technology (ICT) Network, "NICNET", has institutional linkages with all the Ministries /Departments of the Central Government, 36 State Governments/ Union Territories including Rajasthan and about 630 District administrations of India. NICNET is also connecting National Data Centres at Delhi, Hyderabad & Pune on high speed network. Services such as Video Conferencing, e-Mail and SMS are also being provided through NICNET.

NICNET has been implemented by the Government of India and will continue to facilitate delivery of e-Governance services at various levels of Government at the Centre, States, Districts and Blocks.
